

Lines haul transportation of supplies and Heavy equipment (earth moving)

Procurement Reference Number: RFQ PR2335943

Requirement:

The US Mission Uganda invites responsible bidders to provide price listings for transportation of supplies and heavy equipment (earth moving) to various destinations within Uganda, South Sudan and Central African Republic as is mentioned here below;

Departure Points: Kampala or Entebbe

Boarder entry point/exit points: Kaya and Nimule

Possible destinations:

Uganda: Arua, Luwero, Singo (semuto- Kapeka), Lopei Valley in Karamoja, Gulu.

South Sudan: Nzara, and rest of South Sudan

Central Africa Republic: Obbo, Djema and rest of CAR

Democratic Republic of Congo: Dungu

Scope of Work

The proposed contractor shall:

- Provide the required type of equipment, such as but not limited to: trucks, semi trailers (including dropsides), Small Haulage Lorries (box body large fuso type or equivalent) and low beds.
- Provide line haul transportation of truck head trailers, equipment, fuel, bottled water and food supplies not to exceed 20,000 lbs.
- Be aware that the estimated time of delivery shall be no more than two days within Uganda, seven days to South Sudan, 14 days to Nzara, and 21 days to Djema and Dungu in duration or any other time specified by client unless there are unavoidable reasons discussed with and accepted by the Client.
- Provide communication to the client within each day of travel / 24 hour period on physical location of line haul via telephone and emails (whichever is convenient and suitable at the time).
- Allow satellite tracking device on line haul for 24 hour in transit visibility of the line haul.
- Be financially responsible for theft or damage of the load being carried until receipt at final destination.
- Shall hold all the necessary insurance cover for the persons travelling on the trucks as well as comprehensive cover for the trucks.

- Provide security escorts through areas such the Central Africa republic, South Sudan and Congo DRC.
- Be responsible for processing all customs formalities- including clearance.
- Provide a thorough Emergency Rescue Plan (ERP) in the event of car breakdown to meet the following timelines- not more than 1 calendar in Uganda. The contractor shall ensure their ERP is up held, communicated and co-ordinated in line with your requirements when need ever arises.

Notes: Where necessary, the U.S. Mission may support and provide necessary letters and documentation for customs formalities.

SPECIAL INTRUCTIONS:

Please provide price listing per vehicle type and destination.
